

Celebrating Pascha

The Feast of the Resurrection of Christ

After Fr. Alexander had blessed the food, Matushka Julie cut the Pascha that was decorated with symbols representing 'Christ is Risen!'.

Filling plates to feast on lamb roast, vegetables and other side dishes. In the background, the spring flowers in the garden, which were looking particularly beautiful.

Fr. Alexander talking with a friend of the community.

A few Sundays later - Matushka Julie with Gabriel and his daughter Ebba.
